@RAYNA.DECOR

At Rayna Decor, we believe your home reflects your style, and it deserves the best. That's why we handcraft beautiful, long-lasting home fabrics like curtains and upholstery. Our commitment to quality is backed by decades of passion for textiles and a state-of-the-art manufacturing unit in India with a daily production capacity of 7,000 meters. We also maintain an office in Lingping, China, for best-in-class and latest sourcing of fabrics. This ensures we use the latest advancements to create functional fabrics that look and feel amazing. We also listen closely to our customers, so our products keep evolving to meet your needs. Rayna Decor has become a trusted name for innovative, high-quality fabrics. We offer a wide selection of luxurious materials, from soft velvets to rich leathers, all made with sustainability in mind. We're more than just a fabric company: we're about creating a comfortable and stylish haven in your home. Explore our collections and discover the Rayna Decor difference today.
